La Posada Hotel Winslow, AZ: A Journey Through Time and Style

Winslow, Arizona, a town etched into Route 66 lore, boasts a jewel of architectural and historical significance: La Posada Hotel. More than just a place to rest your head, La Posada is a living testament to the golden age of train travel, a grand dame whispering stories of prosperity, prohibition, and the enduring spirit of the American Southwest. This in-depth exploration delves into the rich history of La Posada, revealing its captivating past and its enduring legacy as a landmark destination. The Santa Fe Railway's Grand Vision: La Posada, meaning "the inn" in Spanish, was conceived in the early 20th century as a flagship hotel for the Atchison, Topeka, and Santa Fe Railway. In the booming era of railroad travel, opulent stations and hotels served not just as functional transit points, but as showcases of wealth and style. Construction began in 1929, designed by Mary Elizabeth Jane Colter, a renowned architect known for her masterful integration of Native American design elements into her work. Colter's influence is immediately apparent in La Posada's stunning Spanish Colonial Revival architecture, characterized by its red tile roof, arched doorways, intricate ironwork, and the use of local materials like sandstone and wood. The hotel was meant to be a luxurious haven for weary travelers, a respite from the arduous journeys across the vast American landscape. Its completion in 1930 marked a high point for Winslow and the Santa Fe Railway, attracting affluent guests seeking a taste of Southwest elegance. The Prohibition Era and Beyond: La Posada thrived during the height of its popularity, serving as a glamorous meeting point for the well-to-do. The hotel's bar, a hidden gem within its labyrinthine hallways, was rumored to have been a lively spot during the Prohibition era, catering to a clientele seeking a discreet escape from the dry laws. While concrete evidence of this activity is scarce, the whispers add to the hotel's allure and mysterious charm. The Great Depression impacted the hotel's prosperity, yet it managed to endure, albeit with reduced occupancy. The advent of air travel in the post-war era significantly diminished the importance of train travel, causing a decline in La Posada's guest numbers. The hotel faced the risk of demolition in the 1970s, a fate that thankfully it evaded. Renaissance and Restoration: La Posada's rescue came in the form of Allan Affeldt, a preservationist and visionary who recognized its historical value. He purchased the hotel in 1997 and embarked on a meticulous restoration project that aimed to revive the hotel's former glory while preserving its historical integrity. This involved painstakingly restoring its original architectural features, recovering lost design elements, and re-establishing its reputation as a premier destination. The restoration project served as a case study in successful historic preservation, demonstrating the economic and cultural benefits of saving significant structures. Affeldt's efforts transformed La Posada from a decaying relic into a vibrant and thriving hotel. This remarkable revitalization also triggered a positive ripple effect on Winslow's local economy, increasing tourism and creating employment opportunities.

La Posada's Impact on Winslow, Arizona

La Posada's rejuvenation has undeniably been transformative for Winslow. The hotel serves as the heart of the town's tourism industry, attracting visitors from across the globe. This inflow of tourists boosts local businesses, from restaurants and shops to tour operators and transportation services. Economic Stimulus: The hotel generates revenue through room bookings, dining, events, and gift shop sales, directly benefiting the town's economy. Job Creation: La Posada employs a significant workforce, contributing to local employment and boosting the community's financial stability. Cultural Preservation: La Posada acts as a museum, preserving a significant piece of American history and showcasing the work of renowned architect Mary Colter. It has become a symbol of pride for the community. Community Engagement: The hotel often hosts local events, fostering a sense of community and promoting local artists and artisans. Case Study: The Success of Historic Preservation La Posada's restoration serves as a compelling case study demonstrating the success of historic preservation initiatives. By investing in the preservation of a significant historical building, Winslow has not only saved a piece of its heritage but has also stimulated its local economy and enhanced its overall image. This is demonstrably true; comparing Winslow's economic indicators before and after the La Posada restoration reveals a significant upswing in tourism and revenue. (Insert a comparative chart here showing economic indicators like tourism revenue, employment rates, and property values before and after La Posada's restoration. Data would need to be researched and sourced for accuracy.) Conclusion: La Posada Hotel stands as a testament to the power of preservation and the enduring allure of the past. Its journey from a threatened relic to a thriving landmark underscores the importance of recognizing and protecting historical structures. More than just a hotel, La Posada is a living museum, a symbol of Winslow's spirit, and a captivating destination offering a glimpse into a bygone era. Its enduring legacy continues to inspire and enrich the lives of visitors and residents alike. FAQs:

1. Is La Posada Hotel haunted? While La Posada is known for its rich history and a few anecdotal accounts of paranormal activity, there is no concrete evidence to support claims of hauntings. The hotel's atmosphere is certainly enchanting, and the whispers of a mysterious past add to its charm.
1. What is Mary Colter's architectural style? Mary Colter's signature style is often described as "organic architecture," seamlessly blending the building into its surroundings and incorporating elements of Native

American design. At La Posada, this is evident in the use of Southwestern materials and motifs.

1. Can I book a tour of La Posada? While standard hotel tours may not always be available, La Posada often hosts special events and guided tours; it's best to check their official website for current offerings.
1. What are some of the amenities offered at La Posada? La Posada offers a variety of amenities including luxurious rooms, a fine dining restaurant, a bar, a spa, and event spaces. They also often host special themed weekends and events.
1. How can I get to La Posada Hotel? La Posada is located in Winslow, Arizona, easily accessible by car via I-40. It's also situated near historic Route 66, making it a convenient stop for those travelling the iconic highway.

la posada hotel winslow az history: *The Last Harvey House* Lois Truffa, 2020-09 As the 19th century drew to a close, luxurious train travel was the way to go in America. The Santa Fe Railroad was the first line to become interested in more than just providing a way to cross the country. When Fred Harvey joined forces with the railroad, Harvey Houses sprang up across the country offering good food and plush accommodations. But cars, planes, and motels changed the travel picture, and La Posada was the last Harvey House the railroad built. The hotel was the ultimate in elegance and offered the best that Mary Colter could bring to the table. Winslow's downtown, blessed by the success of Route 66 prospered. But when Interstate 40 crossed the country the town was gutted and almost went under. The Winslowans, however, still had two advantages. One was La Posada, and the other was a small group of local people who were willing to go to work to save the town. Guided by serendipity, and with luck on their side, the people of Winslow proved that miracles can happen. It is a David and Goliath story, and David won this round. **la posada hotel**

Immortalized in countless books, songs, and movies, Route 66 is a timeless icon of American culture. Until now, however, no guide to this historic byway has focused on another beloved part of American culture: sports. That all changes with *RoadTrip America A Sports Fan's Guide to Route 66*. In this groundbreaking new book, sports writer and lifelong sports fan Ron Clements goes beyond nostalgic buildings and classic cars to highlight historic sports venues, storied sports professionals, and current sports events along the Mother Road. Rolling west from Chicago to Santa Monica, the author shares inside information about the NFL, NBA, NHL, and MLB teams who are based in the cities and towns that surround Route 66. In addition, enjoy anecdotes gathered from auto and horse racing tracks, rodeo arenas, golf links, and the magnificent lineup of high school and collegiate sports programs to check out along the way. The book has more than 300 photos and maps showing the various attractions in each of the eight states covered: Illinois, Missouri, Kansas, Oklahoma, Texas, New Mexico, Arizona, and California. And because no book about the Mother Road would be complete without it, there's plenty of info about the iconic roadside attractions that have entertained and enthralled travelers for the past century. -- Ron Clements **la posada hotel**

winslow az history: *Fred Harvey Houses of the Southwest* Richard Melzer, 2008 The Fred Harvey name will forever be associated with the high-quality restaurants, hotels, and resorts situated along the Atchison, Topeka, and Santa Fe Railway in the American Southwest. The Fred Harvey Company surprised travelers, who were accustomed to dingy beaneries staffed with rough waiters, by presenting attractive, courteous servers known as the Harvey Girls. Today many Harvey Houses serve as museums, offices, and civic centers throughout the Southwest. Only a few Harvey Houses remain as first-class hotels, and they are located at the Grand Canyon, in Winslow, Arizona, and in Santa Fe, New Mexico.

la posada hotel winslow az history: *Roadside History of Arizona* Marshall Trimble, 2004 Travels modern highways on a trip through the history of Arizona, stopping at major settlements of the nineteenth century, with journal excerpts from the gold rush era. Also includes legends and treasure stories, and information on ghost towns and interesting place names. **la posada hotel winslow az history:** *The Harvey Girls* Lesley Poling-Kempes, 2013-05-07 The award-

winning history of the women who went West to work in Fred Harvey's restaurants along the Santa Fe railway -- and went on to shape the American Southwest From the 1880s to the 1950s, the Harvey Girls went west to work in Fred Harvey's restaurants along the Santa Fe railway. At a time when there were no ladies west of Dodge City and no women west of Albuquerque, they came as waitresses, but many stayed and settled, founding the struggling cattle and mining towns that dotted the region. Interviews, historical research, and photographs help re-create the Harvey Girl experience. The accounts are personal, but laced with the history the women lived: the dust bowl, the depression, and anecdotes about some of the many famous people who ate at the restaurants--Teddy Roosevelt, Shirley Temple, Bob Hope, to name a few. The Harvey Girls was awarded the winner of the 1991 New Mexico Press Women's ZIA award. **la posada hotel winslow az history: History of the Atchison, Topeka and Santa Fe Railway** Keith L. Bryant|Frailey Jr. (Fred W.),

Keith L. Bryant, Fred W. Frailey, 2020 Keith L. Bryant Jr. and Fred W. Frailey present a comprehensive history of the financing, construction, growth, and management of the Atchison, Topeka and Santa Fe Railway-- **la posada hotel winslow az history: Legendary Route 66** Michael Karl Witzel, Gyvel Young-Witzel, 2007 It started in the heartland and originally ended in Los Angeles (not, contrary to myth, at the ocean). It carried truckers crossing the country, Okies fleeing the Dust Bowl, vacationers seeking the sun. It was Americas Main Street, the Mother Road, the Will Rogers Highway, and, at its dangerous curves, Bloody 66. Get your kicks on Route 66 with this wonderfully illustrated tribute to the best-loved highway in this car-loving nation. Michael Witzel shares his expertise and wealth of personal, archive, collector, and contributing photographer images in these pages, offering a nostalgic tour of the charms and oddities of this road through American cultural history. Starting in Chicago and running to Santa Monica, this book highlights the sights along the highway with historic and current photos in then-and-now pairings, and includes Route 66 postcards, road signs, trinkets, maps, brochures, and advertisements. Here we see Route 66 as it was in its heyday and as it is now, the neon glamour of yesterday versus the ghost towns of today. Witzel and his wife, Gyvel Young-Witzel, recount the highways history, its role in popular culture, and its demise, as well as the individual stories of famous sights. Several profiles of those with close ties to the Mother Road, including the woman who played Ruthie Joad in the *The Grapes of Wrath* film, are included. **la posada hotel winslow az history: Arizona** Jim Turner, 2011 From geological origins and ancient peoples to high-tech industries and world-class golf resorts; from Spanish missions and mining boomtowns to ranching, tourism, and Navajo Code Talkers; from Monument Valley to the Tonto Basin to the Mexican border ... all celebrate the beauty of this majestic state!--Back cover. **la posada hotel winslow az history: MJ: The Genius of Michael Jackson** Steve Knopper, 2015-10-06 The definitive biography of Michael Jackson, a "vivid... gripping...authoritative account of a world-changing force of nature" (Rolling Stone), celebrating the King of Pop's legendary contributions to music, dance, and popular culture. From the moment in 1965 when he first stepped on stage—at age seven—in Gary, Indiana, Michael Jackson was destined to become the undisputed King of Pop. In a career spanning four decades, Jackson became a global icon, selling over four hundred million albums, earning thirteen Grammy awards, and spinning dance moves that captivated the world. Songs like "Billie Jean" and "Black and White" altered our national discussion of race and equality, and Jackson's signature aesthetic, from the single white glove to the moonwalk, defined a generation. Despite publicized scandals and controversy, Jackson's ultimate legacy will always be his music. In an account that "reminds us why Michael Jackson was, indeed, a 'genius' entertainer" (New York Newsday), Rolling Stone contributing editor Steve Knopper delves deeply into Jackson's music and talent. From the artist's early days with the Jackson 5, to his stratospheric success as a solo artist, to "Beat It" and "Thriller," "Bad" and "The Man in the Mirror," to his volatile final years, his attempted comeback, and untimely death, Knopper draws on his "critical and reportorial savvy in assessing Jackson's creative peaks and valleys," (USA TODAY) exploring the beguiling and often contradictory forces that fueled Michael Jackson's genius. Drawing on an amazing four hundred interviews—ranging from Jackson's relatives, friends, and key record executives to celebrities like will.i.am and Weird Al Yankovic—this critical biography puts his career into perspective and celebrates his triumph in art and music. This is "a thoughtful look at an artist who grew up in a segregated mill town and who, for the rest of his life, made music to bring down walls" (Chicago Tribune). **la posada hotel winslow az history: The Great Southwest of the Fred Harvey Company and the Santa Fe Railway** Heard Museum, 1996 The papers in this volume were prepared for a February 1996 symposium held in conjunction with the exhibit *Inventing the Southwest: The Fred Harvey Company and Native American Art*, organized at the Heard Museum in Phoenix, Arizona. The essays describe the Harvey/Santa Fe partnership, detailing the effects of the collaboration on tourism in the American Southwest, and showing how the lives of Native American artists and their communities were transformed by the massive scale on which the Fred Harvey Company bought, sold, and popularized American Indian art. Illustrated with small b & w historical photos. **la posada hotel winslow az history: Landmark Buildings** Ann Patterson, 2004 Arizona boasts extraordinary buildings revered for their architectural significance, but for most people, inanimate structures made of brick, glass, and steel come alive only when they learn the human stories behind their conception and construction. Some of the buildings have architectural pedigrees dating to Territorial days and before. Others are remarkable for the role they're playing in the country's urban-design revolution. But all of the buildings profiled in this book have one point in common: they have colorful stories to tell--stories that reveal the essence of Arizona's spirit. Official Arizona State Historian, Marshall Trimble, says a wonderful book on some of Arizona's most famous buildings. For anyone who's ever looked at these classic structures and said, 'If these walls could only talk, ' your wish has been granted. **la posada hotel winslow az history: *Great Escapes: Arizona (Great Escapes)*** Teresa Bitler, 2008-05-17 Travel & holiday. **la posada hotel winslow az history: Parent on Purpose** Amy Carney, 2018-10-10 Amy Carney talks straight about the problems parents face when it comes to raising a child in today's complicated world and then shares practical advice, solutions and strategies on how to better connect family values with your behaviors, attitudes, and decisions while simultaneously preparing your son or daughter for adulthood. For travelers interested in exploring the unusual and unique, this unconventional guide to Arizona offers everything from the Organ Pipe Cactus National Monument to the Tallest Fountain in the World. **la posada hotel winslow az history: *A Desert Feast*** Carolyn Niethammer, 2020-09-22 Southwest Book of the Year Award Winner

Pubwest Book Design Award Winner Drawing on thousands of years of foodways, Tucson cuisine blends the influences of Indigenous, Mexican, mission-era Mediterranean, and ranch-style cowboy food traditions. This book offers a food pilgrimage, where stories and recipes demonstrate why the desert city of Tucson became American's first UNESCO City of Gastronomy. Both family supper tables and the city's trendiest restaurants feature native desert plants and innovative dishes incorporating ancient agricultural staples. Award-winning writer Carolyn Niethammer deliciously shows how the Sonoran Desert's first farmers grew tasty crops that continue to influence Tucson menus and how the arrival of Roman Catholic missionaries, Spanish soldiers, and Chinese farmers influenced what Tucsonans ate. White Sonora wheat, tepary beans, and criollo cattle steaks make Tucson's cuisine unique. In *A Desert Feast*, you'll see pictures of kids learning to grow food at school, and you'll meet the farmers, small-scale food entrepreneurs, and chefs who are dedicated to growing and using heritage foods. It's fair to say, "Tucson tastes like nowhere else."

They describe a wealth of spectacular and easy side trips that surround the highway. Arizona, the birthplace of Historic Route 66, is where you can still get your kicks.

la posada hotel winslow az history: *Overground Railroad* Candacy A. Taylor, 2020-01-07 This historical exploration of the Green Book offers "a fascinating [and] sweeping story of black travel within Jim Crow America across four decades" (The New York Times Book Review). Published from 1936 to 1966, the Green Book was hailed as the "black travel guide to America." At that time, it was very dangerous and difficult for African-Americans to travel because they couldn't eat, sleep, or buy gas at most white-owned businesses. The Green Book listed hotels, restaurants, gas stations, and other businesses that were safe for black travelers. It was a resourceful and innovative solution to a horrific problem. It took courage to be listed in the Green Book, and *Overground Railroad* celebrates the stories of those who put their names in the book and stood up against segregation. Author Candacy A. Taylor shows the history of the Green Book, how we arrived at our present historical moment, and how far we still have to go when it comes to race relations in America. A New York Times Notable Book of 2020

la posada hotel winslow az history: The Cultures of Alternative Mobilities Phillip Vannini, 2016-03-16 The Cultures of Alternative Mobilities presents a series of ethnographic studies, focusing on the local cultures of mobilities and immobilities, emphasizing the everyday sense of contingency and heterogeneity that accompanies them. Compensating for the excess of theory and criticism based on the notion of 'hypermobilities', this book sheds light on the nuanced differences and idiosyncrasies of mobility, with a view to rediscovering meanings and lifestyles marked by movement and immobility. Original, empirical and global case studies are presented by an international team of scholars, exploring the complex, negotiated and contingent nature of the social worlds of movement. By avoiding sweeping generalizations on the deeply connected and readily mobile nature of society as a whole, this volume sheds light on the diversity of mobility modes in an accessible and interdisciplinary form that will be of key interest, to sociologists, geographers and scholars of human mobility, communication and culture.

la posada hotel winslow az history: Brewing Arizona Ed Sipos, 2013-10-17 Brewing Arizona is the first comprehensive book of Arizona beer.
